

## STRADANOVA RIDERS TESTIMONIALS

Ricardo did his best - there was an issue with the bike I reserved having a head gasket leak but he had ordered in parts and they came in wrong from BMW - he even showed me since I am a gearhead. Gave me options and such. Ended up with a GS 800 which I absolutely loved. I have noticed that European rentals both bikes, scooters and cars have more miles on them than in the states but the little scratches from setting hard bags down and having them roll over (happens to all of us at least once - were not an issue like they would be here in NH. Great overall experience - perfect bike for the territory, SP, SS type roads are awesome on this bike. Excellent vacation! Stradanova provide to my satisfaction. Pick up and drop off procedure work smoothly and the bike problem was unavoidable and accommodations made were a much better fit for the type of riding in Italy on the roads I wanted to travel John Australia

The appearance and performance of the bike was very good, great bike, great shop owner, I will recommend Stradanova and Ad Mo to friends every time.

Everything was great...the bike operated flawlessly, David Trojanowsky

Dear Erika, we would like to thank you once again for the fantastic tour we had the opportunity to do with you on Saturday. Both of us and our friends had a fantastic and unforgettable time. This will last forever in our memories. We finally did not use the Vespa's in the evening as we were all tired. Many thanks once again. Regards, Maxime & Nathalie.

Hello Erika, I had a great day on one of your bikes. I will recommend your shop for those who want to rent a bike. Maybe till next year! Kind regards, Erwin Houkes Helmond, Netherlands

This was my first motorcycle renting experience and I was more than pleased with everything. Fortunately I didn't need to call for assistance during the rental but I felt confident that Stradanova would have taken care of me if I did. Allen, New Zealand

Stradanova is excellent! Erika, the owner very efficient and her mechanic were most

helpful. Our motorcycle vacation was Superb. Stradanova provide with satisfaction to all services. The pick up and drop off procedure work smoothly, although we changed drop off venue they were acomodating. John, California.

Andrea and I just returned to Germany and wanted to send our best regards. Actually the two days with the bike were the highlight of our vacation. It was so good to have a bike again after a couple of years of pausing. And then a KTM, my dream bike :)) Anyway, I wanted to say thank you again for making this possible. Andrea and I really thought that you are a very nice person and we think it's great that you turned your dream into your business. All the best from me and Andrea

Dear Erika,

We had some excellent days in Tuscany. Paolo is a great guide, and I hope you will thank him from us. The riding (and the service all the way) exceeded our expectations, and we will without doubt recommend you to all our friends. We were really tired after each day - but very happy! The bikes were very good. And the lunches.. Great!!! The level of service was better then excellent!!

As you understand we are very happy with everything, and will probably come back and are already discussing when and how.

Yours, Kenneth Sveden

Thanks so much for the help with the KTM.

I had a great trip and thought you might enjoy some of my pictures. Paul, Australia

Thanks for a great ride! We really had fun. We went on a Hike on Monday instead of another ride as we did not think it would be as much fun with out you as our guide. We sent a customer over to you for a motorcycle rental ( I think his name was Tag or Tage?? ) Ciao, Lynette (USA)

Hello Erika,

We all appreciated our holiday in Toscana! We just had difficulties to take back contact with our daily job!

This holiday was intense for us even in term of sport that in term of good food and contact with your team.

We are proud to have made a hard trip but it was a little bit too hard at the end of the week since we cumulated tire! I suppose that Paolo has found us not at the level he supposed we were!!!

Giovanni like Paolo are very good guides but with different styles. We appreciated both! Giovanni cope better with our level and Paolo is a guy for "real" extreme bikers!

If we had to repeat this trip, we certainly will choose medium difficulty with a break free day in the middle of the week!

Be sure we will recommend your organisation! I hope the best for you!

Keep us informed on future enduro ride you may organise! Record us on your mailing list if you have one. Etienne (Belgium)

Erika,

Thank you so much for the experience. Im sorry for the inconvenience I made.

Your country is beautiful, especially your home area. Regards, Martin Bandin (USA Florida)

I just want to say again that it was truly wonderful spending time with you and having you introduce us to some of the amazing gifts of Tuscany!

Ciao, Sharon (USA)

Hi Erika!

On the brighter side - everyone was very impressed with your organization! Very impressed - you really did add a lot to the tour!

I wanted to personally thank-you for your efforts. Most impressive,

And, I am interested in doing some off-road training. Do you ever do training courses for men - men that have not a clue as to off-road riding? I am interested - let me know.

Thanks again, Dave (GERMANY)
